# LET'S TALK ENERGY CORRIDORS

A Forum for Stakeholders in the  
Edmonton Metropolitan Region

DOW CENTENNIAL CENTRE

Energy corridors are the essential networks that maintain the economic viability of the Edmonton Metropolitan Region. The planning and integration of energy corridors into the land use fabric of the region is critical to ensuring our quality of life, future economic growth, and minimization of risk. The forum will bring together representatives from government and industry to discuss the development of a regional corridor strategy that benefits all and ensures the prosperity of the Region now and into the future.

*Supported by Alberta Energy, the Capital Region Board (CRB) is hosting an inaugural **Energy Corridors Stakeholders Forum...***

*For industry policy makers, regulators, planners and those involved in planning, siting, acquisition, and implementation of energy corridors.*

***Let's Talk Energy Corridors!***

***Watch for registration information in the fall of 2017***
